**October 4, 2011**

**The Community Foundation Launches North Okanagan Vital Signs Report for 2011.**

“It gives the Board of Directors of the Community Foundation great pleasure to announce the launch of this very exciting project.” says Mike Tindall, President. “It is a project that was undertaken by many Foundations across Canada and is a community report card that provides a glimpse into the health of our communities across a broad spectrum of issue areas. Statistical data gathered through government agencies and grading provided by participating citizens.”

“This is part of a National Initiative that was launched by the **Community Foundations of Canada** a number of years ago and is an opportunity to review some of the important issue areas that influence our way of life in the North Okanagan” says Marty Armstrong, Project Manager. “We are very pleased with the report and hope that it gets much attention over the coming months.”

**Many thanks to the people who helped make this happen, especially our funders,**

- **Community Futures North Okanagan**
- **City of Vernon**
- **KPMG Vernon**

The Community Foundation of the North Okanagan, based in Vernon, BC, is dedicated to improving the quality of life in the region by distributing the earnings from a permanent, ever-growing pool of funds.
